

**UKI CLASSIC
JUNE 21 - 23, 2024
KESTREL RIDGE FARM**

We invite you to support the UKI Classic by becoming a sponsor to celebrate the first of its kind in Calgary!

UKI Agility International has approved Kayenna Training Academy to host a Classic June 21 – 23, 2024. We are honored to take on this event! Kayenna became involved in holding UKI trials in 2023 and decided to apply for a Classic to support the Calgary UKI enthusiasts and grow the community interested in competing in UKI.

Dog agility is a sport where you work as a team with your four legged partner maneuvering through an obstacle course, which can include tunnels, weave poles, tire, jumps, and a teeter that must be completed within a set amount of time. The best part of agility is the bond created with running your dog in a sport that you can connect as a team!

Canada has many agility enthusiasts who compete at all levels from weekend trialing all the way to world competitions. We are excited to see the multiple teams compete with their dogs at one of the largest UKI events ever held in Calgary.

Our event will have handlers, volunteers, vendors and spectators from Calgary and surrounding areas. Your sponsorship will ensure that this event will be a memorable one for everyone involved! We've attached a list of sponsorship opportunities. The Kayenna team thanks you for your interest and support as we look forward to hearing from you soon.

Sincerely,

The Kayenna Agility Team
